Renewal of historic town clocks at Manilla and Barraba

Renewal of the historic town clocks at Manilla and Barraba has commenced this week and will take 3-4 weeks to complete.

Both town clocks have been losing time in recent years due to their internal master clocks finally reaching end of their life after decades of reliable service.

Manilla's clock is the only one of its kind known to remain in use within NSW, and Barraba's town clock dates back to 1924.

While the external look of these historic town clocks will remain the same, the internal master clocks will be replaced by 4 independent GPS controlled intelligent clock mechanisms and a GPS antenna.

The use of separate mechanisms requires modification of the hands, however the existing hands will be retained to maintain the aesthetic appearance of the historic clocks. The mechanisms will self-synchronise with the GPS and reset following any power interruption as well as adjust automatically for daylight savings.

Barraba Cancer Patients Fund Raising Group

Annual Report 2022

I am happy to present my annual report for 2022 and after many years at the helm I am standing down as president. I feel it is time for some new refreshing ideas and do very much welcome new members.

Many thanks to all committee members for their continued help and support during the year, also a very big thankyou to all folk who kindly cooked, donated goods and helped at our morning tea stall.

The biggest morning tea and street stall was again held in the mall with deliveries to business houses. All enjoyed the music supplied by our local band and are very appreciative of their services.

We are extremely grateful to our local community for the support and donations generously given to our group.

Daffodil day was celebrated with just the street stall and sales of daffodils, again this was highly successful and thanks to all contributors.

Our group again catered at the annual Ironbark Bull Sale and thanks to the Spencer family for kindly supporting us once more. A big thankyou to Dave Penna for manning the Rotary BBQ for which we are grateful for the use of.

During the year donations have been sent to the Cancer Council, Tamworth Cancer Centre, the Shitbox Rally in aid of cancer, Chris O'Brien Cancer Centre, The McGrath foundation and the Olivia Newton John Foundation.

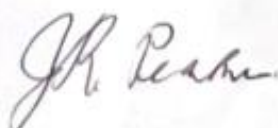

Our year finished with a delicious lunch at the Playhouse.

Thanks to Andrew at The Playhouse, Andy Wright for the use of their premises and David Kelly for the Financial report.

Best wishes to all for another outstanding year.

Ros Peake

President

Barraba Cancer Patients Fund Raising Group **(BCPFRG) Update**

Long term President of the BCPFRG Ros Peake, stepped down from her role at our recent AGM. Each of the BCPFRG members would like to sincerely thank Ros, for all of the time and effort she has devoted to the organisation during her many, many years as President.

We are pleased that Ros is remaining as a group member, and that we may still benefit from her experience as we move forward and continue to support the various Cancer Organisations and Research Centres. Our fundraising efforts have afforded donations over the years to places such as: Inala House Tamworth, NW Cancer Centre, Cancer Council, Brain Foundation, Garvan Research Foundation, Chris O'Brien Lifehouse, Ronald McDonald House and the Olivia Newton-John Wellness Centre.

The Group would like to advise that new members are welcome at any time.

CLAYPAN HAPPENINGS

CELEBRATING NEW LIFE MEMBERS

Last Tuesday Beth Hagan, Robyn Brown and Pat Penna were invited to the Claypan for morning tea to accept their Life Membership of the Barraba Potters and Craft Guild Inc.

Judy Sautchuk said *"we enjoyed a piece of cake and a cuppa while the life members regaled us about "the early days" of the Claypan"*.

Robyn Brown has been an active member of the Claypan for about 40 years, she was Sales Treasurer for many years. She has involved in many facets of sewing including; patchwork and embroidery. Robyn has given her time for sewing lessons and has run numerous workshops. She has donated many quilts over the years to be used as raffle prizes.

Beth Hagan was a long term potter, a keen knitter and contributed plants for sale at the Claypan.

Pat Penna is an active member of the Garden Club (within the Claypan) and organises many garden club activities.

BINGO

Fundraising for Richardson House
Calling for expression of interest

Do you enjoy socializing and the entertainment?

Do you enjoy winning prizes?

Do you like to have fun?

Do you enjoy meeting new people?

Most of all, do you love Bingo?

If so, Richardson House is calling for all those who are keen to express their interest and come down and to join our residents to play Bingo!

Conditions of entry:
Negative RAT test on the day and health check upon entry.

Please contact:
ROA Jessica Kelso on 04073351387 or
activities@richardsonhouse.com.au

Funds go directly to Residents needs.

A PLEASING RESULT IN THE PHOTOGRAPHY SECTION AT 2023 SHOW

126 Open entries and 12 School entries made an impressive display in the Photography Section at this year's Barraba Show. We had a quite a few new entrants this year in the Open Classes, which is great for the competition. New blood is always welcome!

Our judge this year was Chloe Taylor, a Barraba bred girl now living in Bingara with her family. Chloe has her own photography business; Chloe Renee Photography, which she enjoys in her spare time. Chloe Renee Photography is also a major sponsor of the Photography Section.

Chloe was very impressed with the standard of the entries she judged. She commented that it was great that some entrants were thinking creatively to get an image that stood out in its class.

This year, to spread the chances of different entrants winning a major prize, we judged the Grand Champion photo from all 1st prize winners, and removed it from the competition prior to Chloe selecting the Champion Photos in each category – Black & White, Colour and School Classes. This worked in theory but we did not bargain on one amazing photographer taking out the Grand Champion and two Champion prizes!

Sue Retschlag scooped the pool this year winning; Grand Champion Photo, Champion B&W Photo, Champion Colour Photo and Most Successful Exhibitor. Her wins were well deserved – the winning entries displayed both technique and “WOW” factor. Congratulations Sue.

The judge was very impressed with our Champion School Photo by **Annabel Kanno**. Annabel's image of a “fish with a view” portrayed a goldfish with a cityscape background. The inclusion of a line of bubbles in the water took the photo to its winning position – incredible technique for a young photographer. Annabel also won Most Successful School Exhibitor. Well done Annabel.

Thank you to all exhibitors who contributed to our competition this year and helped to create a worthy display for show visitors. Congratulations to all the place winners.

Photographers now have 12 months to start clicking and working on next year's entries. The 2024 schedule will be published on the Barraba Show website within the next few months, when it is finalised. The school section is currently undergoing a major renovation to attract more entries from budding young photographers in our community. Remember to read the rules of entry, in particular; **minimum and maximum photo sizes**, maximum backing mat size and all photos **MUST BE TAKEN BY THE ENTRANT**. You can **NOT** enter photos taken by someone else or enter your photos in someone else's name as this is unfair to other competitors. **Each entrant can only enter a maximum of 10 images that they have taken themselves.**

Thank you to our generous sponsors; Caremore Pharmacy Barraba, Wentworth Travel, Guy Derrick Memorial, Manilla Express Digital Print Kiosk, Rocky Glen Ag, Chloe Renee Photography, Sandra Allen (Polkadot Coffee Room), Paula McIver Photography, Nanette Bowman, Janene Randall, Jennylyn King, Daisy Groth Memorial, Mandy Cabot, Andy's Guest House, Gerda Gamper, Jenny Farrar, Sue Retschlag, Barraba Potters & Craft Guild and Barraba Shutter Bugs.

New sponsors are always welcome. If you'd like to become a sponsor of the Photography Section at the 2024 Show, please contact Brenda McColl on 6783 3199.

Words and Images: Brenda McColl (Chief Steward – Photography Section)

Richardson House

31m · 🌐

...

The staff of Richardson House are very excited this week as we commence our implementation of the electronic medication management system MedSig which has been made possible through a successful application for a Grant offered through the Federal Government.

This system connects the facility, the pharmacy and the prescribing Doctors allowing prescriptions and changes to be immediately sent to the pharmacy for dispensing, while also instantly updating the Resident Medication system at Richardson House.

Systems such as these help staff to ensure that all Residents receive correct medications, allow for timely adjustments and changes to be made when necessary, as well as assisting with communications between the facility, the pharmacy and the prescribing Doctors.

We would like to thank the lovely staff from Webstercare, Sarah, Kelly and Narelle for coming to Richardson House to provide training and to our wonderful staff for embracing these changes head on with a positive and can do attitude. Thanks also to the Barraba Caremore Pharmacy staff for their assistance with this implementation as we could not have introduced this quality improvement without their cooperation.

Jo is very proud of all her clinical and Admin staff who have taken part in the induction training for the new system. Pictured below are the Webstercare Staff and some of the Richardson House Staff who took part in the training sessions.

MOSAIC MASTER CLASS Coming Soon!

Arlene Weeks will be running a mosaic master class on **Saturday 13th May 2023** at the Claypan.

Arlene will supply all the materials and a pot for the participants to take home at the end of the day. Samples of Arlene's work and an idea of what participants will be making are pictured below.

The class will cost \$100 per person. Numbers will be limited so book soon to avoid disappointment.

Bring a share plate for morning tea, tea and coffee will be provided. BYO lunch.

Enquiries and bookings – Cath Maher: 0417 222801 or cathmaher8@gmail.com

History Notes

The ambulance photo in last week's news immediately attracted my

attention as I saw Bill Randall standing on the far right of the photo. The two men beside the vehicle I am not so sure of but could be Bruce Smith and Butch Butler – no doubt someone will be sure of their names. One thing for sure is the Ambulance station has been built as the car is standing on the driveway.

Records of the ambulance in Barraba before amalgamation are held by the Society but have not seen the light of day for some years. When they first came to the museum I began typing them up and then they were recalled by Tamworth Ambulance for recording. They came back to the museum but I had gone onto recording another subject at that time – 1944 to 1966 are recorded in the folder at this stage. Some of the headlines are:-

Towards the end of 1948 after a meeting of concerned citizens, enquiries were made re the cost of an ambulance. A suitable sedan type car was preferred and then a conversion to handle 2 stretchers. Subscriptions 10/- per year were called for.

Early in 1949 a Pontiac sedan was ordered from Cliftons Pty Ltd but they were unable to supply the car later in the year. Tenders were then called for from GR White, Harry White & Co and Roy Collins & Co. A Dodge vehicle was delivered early in 1951 and housed in GR White's iron shed in Alice Street. I wonder does anyone know where that shed was? By the end of 1951 it seems the ambulance was moved to Clifton's Garage.

As the 1950's passed, the meetings show a movement to find a permanent driver to live in town. There were members looking for a suitable home for both the ambulance and the driver and they considered a block of land near the Memorial Hall after the storage depot in the Scout Hall was broken into.

A new ambulance was purchased late in 1959 and Ian McGuffog became the first station officer in March, 1960. As the photo shows the driveway of the new ambulance station I would think it would be sometime in the 1960s – we just need to find the correct newspaper. (see Graham Down's letter below-Ed)

There are lots more pages re the 1960s and may reveal when the station was actually built but it is rather time consuming and on Monday morning I just do not have the time. There will be more next week together with the results from the meeting this week.

Letter to Editor

Hi Brian,

Today's Barraba Community News (Wednesday, 15 March, 2023) is a photo of an Ambulance and a call to Brains Trust to identify a photo found at the Barraba Ambulance Station. I think I can throw some light on the photo.

I took over as the Treasurer of the Barraba Branch of the Tamworth Ambulance Service from Ken Stanton late in 1955. Our son, Colin, was born 15 September 1955 and shortly after he was born in Barraba we used the Barraba ambulance to transfer Colin to Tamworth because of breathing problems. The President of the Barraba Branch at that time was Terry Kelly. The Barraba Branch committee worked hard to raise funds to build a new Ambulance Station in Barraba. We ran barbecues at the New Year's Horton Rodeos and many other functions. In the end we funded the new station. The first Ambulance Officer at the Station was Ian James McGuffog. Ian was newly married and at that time I thought what start, a career, newly married, new station and we bought two new ambulances. Ian's marriage to Patricia Catharine Noon was registered 27740/1957. So, if the marriage was 1957 the photo would in 1957. and the photo probably is Terry Kelly handing over the keys to the new Chrysler ambulance to Ian McGuffog at the new Barraba Station.

If the Ambulance in the photo is a Chrysler then there is a story. As I have said the Barraba Station was a branch of the Tamworth Ambulance Service with Superintendent Eric Hermanson in charge. When Eric found out we had purchased a Chrysler (the Barraba branch supporting Roy Collins, the Chrysler dealer in Barraba and had it fitted out by Grice (Grice fitted the bodies to all NSW ambulances at that time) in Sydney there was an uproar as Eric was trying to comply to have a standard fleet of ambulances with uniform make and body.

Many years later I spoke to Ian at a large fun run in Sydney. I had been invited to start the race and Ian was there in an official ambulance role. He had risen to a senior position in the Ambulance Service.

Brian, I think the above may be link to the photo.

Grahame Down.

MedCIRC Barraba

Surgery Closure dates.

The surgery will be closed for the following dates:

Wednesday 29th March 1.00pm through to Tuesday 4th April and will reopen Wednesday 5th April @ 9.00am.

If you require scripts, please phone the surgery on 67821621 to make an appointment prior to the closure.

Also, just a reminder to patients that masks are still worn in the Practice.

Thank you

NSW STATE ELECTIONS THIS SATURDAY

It is four years since the last NSW state election. **Voting day is this Saturday 25 March.** Voting is compulsory for every Australian citizen over 18 years. In Barraba, the Polling Place will be, as usual, the Bicentennial Hall, open from 8am to 6pm.

ELECTIONS

There are two elections being held:

1. Electing the 93 Members of the **NSW Legislative Assembly** for the next four years. We in Barraba are in the Tamworth Electorate (our current local Member is Kevin Anderson). There are eight candidates on the voting paper, one of whom will become the new Member for Tamworth. They are:

BROOKE Ryan, HILLVUE, THE GREENS

McCREDIE Rebecca, SOMERTON, INFORMED MEDICAL OPTIONS PARTY (IMOP)

RAYE Sue, CAMMERAY, LEGALISE CANNABIS PARTY

RODDA Mark, SOUTH TAMWORTH, Independent

ANDERSON Kevin, EAST TAMWORTH, THE NATIONALS

DRAIN Colin, CARDIFF, SUSTAINABLE AUSTRALIA PARTY - STOP OVERDEVELOPMENT / CORRUPTION

McGRATH Kate, GUNNEDAH, LABOR

SCANLAN Matthew, STANNIFER, SHOOTERS, FISHERS AND FARMERS

When you go to vote, you will be given instructions as to how to record a valid vote. For this election, you only need to mark a "1" against your preferred candidate.

2. Electing 21 Members of the 42 seat **Legislative Council** (the Upper House). There is no local candidate – every member of the Legislative Council theoretically covers the whole of NSW. There are literally hundreds of candidates on the ballot paper.

Again, the ballot paper has instructions on how to record a valid vote.

EARLY VOTING

If you are travelling away from home on Saturday, you can vote absentee at any Polling Place in NSW. If you are in the Tamworth Electorate, but unable to get to a Polling Place on Saturday (because you are working etc), you can vote early at one of the early voting centres in our electorate. They are:

Tamworth Southside Uniting Church Hall

426-440 Goonoo Goonoo Road, Hillvue NSW 2340

Tamworth Election Manager's Office

513 - 515 Peel Street, Tamworth NSW 2340

Gunnedah Town Hall

152 Conadilly Street, Gunnedah NSW 2380

At these times:

Thursday 23 March: 8:30am - 8:00pm

Friday 24 March: 8:30am - 6:00pm

COMMENT

Over the past few months there has been overwhelming coverage on TV, radio, papers and social media discussing the election, the issues, and the personalities. So often the question is put; will you vote for Dominic Perrottet (leader of the Liberal Party and current Premier) or Chris Minns (leader of the Labor Party)?

All that carry on is very misleading. In our Parliamentary system, we cannot vote for the Premier. We vote for our local representative, one of 93 Members of the Legislative Assembly. When the votes are all counted and 93 Members assemble in the NSW Parliament, the Party or group that has a majority (that is 47 seats or more) becomes the Government. Those Members elect their Leader who then becomes Premier, barring accidents, for the next four years. It is NOT like the American system, where the people elect the President.

FREE EVENT

Do you have an aspiring writer in the family?

Tamworth City Library is hosting the Young Writers Workshop on Friday 24 and Saturday 25 March.

Designed for children aged between 12 – 18, each workshop will be run by successful young-adult author – Felicity Castagna – who will explore everything about writing and building a career as a writer.

ARCHIVES ON TOUR comes to *Tamworth*

Lord Carrington is coming to town!

One of the jewels of the State Archives Collection, a selection of volumes of the exquisitely handcrafted Carrington Albums, is making its way around regional NSW - offering visitors a chance to step back in time to an era full of pomp and ceremony.

Dated from 1885, The Carrington Albums are a series of 14 leather bound volumes of illuminated addresses, each one gifted to Lord and Lady Carrington from the regional communities they visited throughout their 5 year term as Vice Regals.

A sign of affection from the people and a memento of the Governor's visit, the addresses are beautiful artworks, with finely detailed illuminated borders, hand painted illustrations, greetings and well-wishes.

The addresses, representing hundreds of residents, towns and associations, were later bound together into the Carrington Albums and presented to Lord Carrington at the end of his term in 1890. He took the Albums back to the England where they remained with the Carrington family for many years.

Given the significance of the albums to the state of NSW, the volumes were repatriated to the NSW Government in 2014 to be cared for in the State Archives Collection.

The [NSW State Archives Collection](#) documents the daily work of the NSW Government and its agencies from 1788 to today. This vast collection records history as it happens, providing valuable and at times, life-changing evidence of events and decisions that have shaped and continue to shape our history, communities, and lives.

Don't miss ARCHIVES ON TOUR – you can marvel at the rare snapshot of a bygone era and learn about the history of the Albums as they travelled around the world.

Tamworth Brick Show 2023

Saturday 25 March 2023, 10:00 AM to 4 PM

Sunday 26 March 2023 10 AM to 2 PM

West Tamworth League Club, 58 Phillip Street Tamworth

The team from Playwell Events are very excited to once again be holding their very own Brick Show at West Tamworth Leagues Club. We will have over 40 tables of custom-built LEGO models on display. With themes ranging from Star Wars, Architecture & Friends to a huge City layout, there will be something for everyone. We will also have the ever-popular play tables where the kids can get creative and build themselves. There will also be opportunities to purchase LEGO sets & parts on the day from our vendors.

You can't believe everything you hear—but you can repeat it.

There's a lot to be said in his favour, but it's not nearly as interesting.

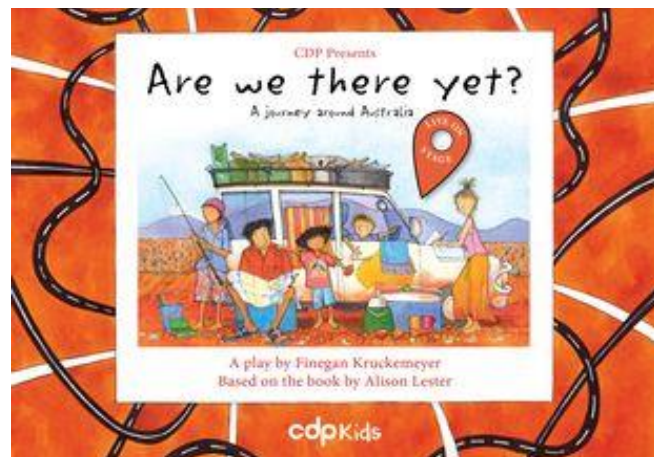

Are We There Yet?

Capitol Theatre Tamworth

Level 1 Centrepoint Shopping Centre Peel Street Tamworth,

Tickets: \$14 - \$28. Book online

A JOURNEY AROUND AUSTRALIA

A CDP Kids Production

A play by Finegan Kruckemeyer, Based on the book by Alison Lester

“The year I turned eight, Mum and Dad took us on a trip around Australia. Luke, Billy and I missed school for the whole winter term.”

Join 8-year-old Grace and her family on their adventurous and often funny expedition around Australia!

Following CDP’s successful national tour of Magic Beach, Alison Lester AM’s classic book, Are We There Yet?, comes to life on stage, with songs, fun, (and quokkas!) for children aged 3-10 and their adults.

...a celebration of family, love, and the diversity and beauty of Australia.

From the team behind The Gruffalo and The 13-, 26-, 52-, 78- and 91-Storey Treehouses, this new adaptation from multi-award winning playwright Finegan Kruckemeyer is a celebration of family, love, and the diversity and beauty of Australia.

MOBILE DIALYSIS UNITS TO DELIVER LIFE-SAVING PATIENT CARE IN THE REGION

A re-elected NSW Liberal and Nationals Government will invest \$15.6 million to roll out six new state-of-the-art mobile dialysis buses across rural and regional NSW, which will see dialysis services boosted in the Tamworth electorate.

Member for Tamworth Kevin Anderson said the commitment would ensure patients can get the care they need as close as possible to home. “Chronic kidney disease is incredibly demanding on patients and their families who need to travel to access frequent treatment,” Mr Anderson said. “Patients may need to travel to Tamworth three to five times a week to receive treatment which means hours on the road every week for patients living in our regional towns. Getting a mobile dialysis bus on the road in the Tamworth electorate will make life so much easier for patients and their families while cutting the cost of accessing treatment.”

Minister for Regional Health Bronnie Taylor said establishing mobile dialysis services will mean for weeks at a time people will be able to receive treatment in their local community. “These buses will be fitted out with dialysis machines and comfortable chairs for patients to receive the care they need, and will be staffed with specialist nurses,” Mrs Taylor said.

As part of this commitment, four state-of-the-art mobile dialysis units will be built, and will operate right across regional NSW including parts of Western NSW, across the Riverina and Murray, Southern NSW, the Upper Hunter and the Northern Tablelands.

The \$149.5 million expansion of the scheme means eligible patients are now receiving almost double the subsidy towards accommodation costs and private vehicle use where they travel more than 100 kilometres for care. In the first six months of the expanded scheme, 1,166 patients in the Tamworth electorate received \$620,375.64 in financial support.

Barraba Golf Notes 19 March 23

Des Kelaher with 34 stableford points won Hamilton Trotters trophy on Sunday. Runner up was Firmen Allan with 33 points with balls going to Will Sedgwick 31 and David York on 30 points.

The rain spread over a few days was most welcome and as the scores show it took a lot of run out of the course.

Next Sunday the 26th March is a 4 BBB Stableford for the J&T Waugh and F Allan trophies. On the 2nd April is an Individual Bisq Par for a trophy donated by Ian and Brenda McColl.

One to put on the Calendar and invite some friends to is our 3 days of golf in early May. On Friday 5th May is our annual Barraba Vets day followed on Saturday 6th May with the Barraba Mixed Open. Sunday 7th is our Men's Barraba Open.
