Not long now! The annual Back to Bush auto festival brought to you by Aircooled Assembly Inc is a few days away.

Be sure to check out the Muddy MAYhem display (this year only) – take a look up close at the cars, chat with their owners/creators and watch some awesome footage of a mudrun on the TV. There is a Muddy MAYhem colouring in for the kids to do at the display or take home with them as well as some cool give-aways, while they last!

The morning will consist of hundreds of cars and bikes in the show and shine. Thinking of bringing a car or bike? No need to pre- enter! There are marshals on the lane from Maude Street to guide you in to park and give you your entry number. Remember, all are welcome to vote for the car or bike you like the most for the “people’s choice” trophy.

There will be markets, free kids rides (different ones this year!) and face painting.

The Aircooled Assembly container/office (look out for the Back to the Bush marquee) is the location for: -

- register your vote for “people’s choice”
- Find mechanise - This year’s merchandise we have shirts, caps, coolers and our new item – patches! There will also be a limited merchandise at a discounted price from 2025.
- Enquiries and sunscreen
- Back to the Bush raffle
- Silent Auction items
- Trophies
- Presentation at 1pm. See who won the Back to the Bush Colouring in Competition, Back to the Bush raffle, auctions and the show & shine trophies.

Stick around because there is more live music this year. Kicking off with The Cartoon Hero’s (Aqua and other 90s hits) from 2pm followed by Chicken Liquor in the evening and ***F*I*R*E*W*O*R*K*S***.

FIREWORKS

We remind the residents of Barraba that there will be a fireworks display. The display is scheduled for 8.30pm Saturday 17th October as part of the Back to the Bush event. There will be further Public Notices before the event.

Airing on TV now, with thanks to Tamworth Regional Council-Tamworth Region's 2026/2027 Regional Events and Marketing Support Program, Back to the Bush have a commercial on Channels 7 and 7mate and will continue right up to the event.

Gates open at the RSL 9am Saturday 17th October 2026. For all the latest info, head to Aircooled Assembly's Facebook page or the event page Back to the Bush.

Friday night raffles at the RSL will be hosted by the Aircooled Assembly and there will be extra cool things up for grabs— so be sure to come check that out too!

THIS WEEKEND AT THE BARRABA POTTERS AND CRAFT GUILD

Resin Workshop

Guest tutor Andrea Robinson from Bundarra will be on hand to guide you through a resin workshop to create beautiful resin flowers and other ornaments, to be held at the Fuller Gallery on the 17th & 18th October 2026 from 10.30am to 2.30pm.

There will be various moulds available for you to use or you are welcome to bring your own mould to create a unique resin item. There will also be lots of different pigments available, including glow in the dark and shimmer pigments.

You can attend one or both days. If you attend both days, you will be able to make your item and then remove it from the mould and make another one on the second day. This workshop is suitable for beginners and children over 12 years.

Cost: \$20 per person, per day

☕☕ Tea and coffee provided. BYO lunch. ☕☕

Don't miss out, positions are filling fast. Bookings required on 0459608486 or 0428892407

Barraba Hospital Auxiliary Happenings

Barraba Hospital Auxiliary provided a delicious morning tea at the Day Centre on the 8th of October from 9:30am for Dementia Awareness. The morning saw visitors from Richardson House and Garvin House as well as Barraba residents enjoying time together and hearing about Dementia – now recognized as the leading cause of death in Australia.

We were also pleased to welcome guest speakers Richard Williams - Older Persons Clinical Consultant, and Louise Albertson – Delirium and Dementia Nurse Consultant, from Tamworth Rural Referral Hospital.

Richard and Louise both gave very informative talks to those in attendance. Thank you to you both for your support.

Thank you to all who attended and to UHA Members for providing the yummy morning tea for everyone to enjoy.

Congratulations to Jo Bridges who has been appointed the Health Service Manager, we look forward to working with Jo and her staff as we fundraise to help provide equipment for the MPS.

Date for the diary: Street Stall 5th November from 9am. All donations will be greatly appreciated.

If you would like to join the Barraba UHA the next meeting will be on the 6th of November at 10.00am in the Day Centre.

Senior Citz News

Barraba Senior Citizens wants to remind you their AGM is on Friday 16th October at 1pm.

Nominations have been received and ready for voting.

We would like to see all our members here for this special day.

Our AGM follows our regular Bingo which is held every Friday at 10am and all are welcome.

SMALL SCHOOLS BUS TOUR

An enjoyable day was had by all last Thursday when a group of people joined the Historical Society for a bus trip around some of the small school sites in the district. We headed out to Woodsreef, where unfortunately we couldn't explore the area of the site, as it is now private property. We then headed east to the 'T' intersection of the Bundarra and McIntyre roads where the Shenstone school existed until the late 1930's. Next on the list was the location of the McIntyre School. Our excellent bus driver, Chris, took the bus up the hill to the spot where the school used to be,

and people could get out and have a look around the area. All that exists there now are the slabs of concrete where the pylons supporting the building stood and a few clumps of iris plants, still thriving. The school closed in 1966.

It was then all aboard, and we headed for Gulf Creek. The school building is still standing and has been given a fresh coat of paint. We were able to enter the building and have a good look around inside. One of the old school seats is still there.

Unfortunately, the tennis court is now just a grass covered yard and the shelter beside it has been squashed by a fallen tree.

This could be a bit dangerous!

From Gulf Creek, we headed on to Upper Horton where the school is now private property.

We stopped at the Horton Club for a beautiful lunch provided by Amy Mackay. It was an enjoyable break, and everyone enjoyed their lunch and refreshments. Then it was back on the bus.

Through Horton and along the Currangandi road to Brigalows where all that remains of the school building is a half fallen down shed with a small tank sitting on a stand in a paddock.

Further along, we came to the location of the Plumthorpe School. The school building is still standing but unable to be accessed as it is part of a private residence.

We then continued back towards Barraba along the Trevallyn Road and passed the site where the Hawkins Creek School was located. Unfortunately, there is nothing remaining to indicate where the actual site was.

A big thank you to Lesley for the organisation she put into the trip, a big thank you to Chris for being such a valuable bus driver, and also to all the people who took part in the trip.

So, a trip down memory lane!

Dive in: Region's pools open for the season

Public pools across the Tamworth region are preparing to welcome swimmers back as the 2026-27 pool season gets underway.

The Tamworth Olympic Swimming Pool reopens from Monday 12 October, while **Barraba Memorial Swimming Pool, Kootingal Memorial Swimming Pool, Manilla Memorial Swimming Pool and the Nundle Memorial Swimming Pool** reopen from **Tuesday 13 October**.

Significant improvements have been completed at Barraba Memorial Swimming Pool, including gutter repairs, repainting, new waterline tiles, refurbishment of the toddlers' pool and upgrades to chemical storage facilities. In Manilla, water pipes have been replaced and a new out-of-hours access gate installed which is planned to be functional by early December.

The South and West Tamworth Memorial Pool will open from the first weekend of Saturday 17 October on limited hours, and increasing as the need arises.

Ahead of the season opening, Tamworth Regional Council staff have undertaken a comprehensive program of inspections, repairs and upgrades to ensure facilities are safe, reliable and ready for another busy summer.

Tamworth Regional Council Aquatics Coordinator Gary Johnson said the annual winter works program is an important investment in maintaining the region's ageing aquatic infrastructure.

"Many of our public pools are between 50 and 80 years old, so ongoing maintenance is essential to keep them operating safely, efficiently and reliably for our communities," Mr Johnson said "During the off-season, our teams have carried out annual servicing of circulation pumps and chemical dosing systems, along with a range of upgrades and refurbishment works across the region."

The Nundle Memorial Swimming Pool has undergone waterproofing, tiling and resurfacing works. New stairs have

also been installed at Kootingal Memorial Swimming Pool to improve accessibility.

Mr Johnson said while Council remains committed to maintaining existing facilities, planning for the region's future aquatic needs to remain a priority.

"We'd like to thank everyone who has taken the time to engage with Council's Have Your Say campaign for the Aquatic, Education and Health Centre of Excellence," he said. "The feedback we've received highlights just how important year-round aquatic facilities are for learn-to-swim programs, rehabilitation, fitness and community wellbeing, and it is providing great support for our efforts to secure additional funding for the project."

GWYDIR SHIRE COUNCIL LEADERSHIP

CONFIRMED

Gwydir Shire Council has confirmed its leadership team for the coming year, with Cr Tiffany Galvin re-elected as Mayor and Cr Sean Coleman re-elected as Deputy Mayor at today's Ordinary Council Meeting in Warialda. Both positions were uncontested, reflecting the confidence of Councillors in the current leadership team.

Mayor Galvin said she was honoured to continue serving the community in the role. "I'm absolutely honoured and deeply grateful for the support shown by my fellow Councillors. It is a real privilege to continue serving as Mayor, and I'm excited about what we can achieve together over the coming years. Gwydir is a wonderful place with passionate people, strong communities and enormous potential. I look forward to working alongside residents, businesses, community groups, fellow Councillors and Council staff to continue building a bright and positive future for our region."

Deputy Mayor Coleman said he was looking forward to continuing the work underway across the Shire. "Thank you to everyone who has supported me and placed their trust in me as Deputy Mayor. We have a great Shire with strong communities and plenty of opportunities ahead. I look forward to continuing to work alongside Mayor Tiffany Galvin, my fellow Councillors, Council staff and our residents to help ensure Gwydir remains a great place to live, work and raise a family. There is plenty of work to do, and I'm looking forward to getting on with it." Council congratulates Cr Galvin and Cr Coleman on their re-election and looks forward to working together to deliver positive outcomes for communities across the Gwydir Shire.

Champagne, supper and announcement of winners

Barraba Bulldogs Celebrate a Successful Return in 2026

Barraba Rugby League Football Club celebrated the end of a remarkable 2026 season with a successful Presentation Night on Saturday, recognising the players, volunteers, sponsors and supporters who helped bring rugby league back to Barraba.

After a five-year absence, 2026 marked an important new chapter for the Bulldogs, with the Club proudly fielding First Grade, Reserve Grade and Ladies League Tag teams.

The Presentation Night brought together players, families, sponsors, volunteers and supporters to celebrate the achievements of all three teams and recognise the many people who worked behind the scenes throughout the year.

There were plenty of achievements to celebrate across the three grades.

In First Grade, Zac Mallise capped off an outstanding season by being named Best & Fairest and Players Player, as well as finishing as the team's Highest Try Scorer with seven tries.

In Reserve Grade, Ben Spencer and Cooper Boyd shared both the Best & Fairest and Players Player awards, while Daniel Earl and Jack Hillier finished equal as the team's Highest Try Scorers with six tries each.

Brooke McKinnon enjoyed an exceptional season in Ladies League Tag, receiving the Best & Fairest and Players Player awards, as well as being the Bulldogs' Highest Try Scorer with 17 tries and Highest Point Scorer with 92 points. Brooke's achievements extended beyond the Club, with her 92 points also earning her the 2026 Group 19 Ladies League Tag Highest Points Scorer title.

The evening also saw Alison Ward and Ralph Starr recognised as Life Members of Barraba Rugby League Football Club, acknowledging their longstanding contributions to the Club.

Steve Ward was awarded the Richard "Fritter" Jennar Memorial Trophy as Club Person of the Year, recognising his contribution and commitment to the Bulldogs throughout the season.

The evening also provided an opportunity to recognise some of the Club's history and the families behind its long-standing memorial trophies.

Ronda Simmons presented the Neville Claydon Memorial Trophy for Consistent Low Tackler in First Grade to Jack Coombes. Ronda spoke about her father's proud history with the Bulldogs, including his role in re-establishing the Club in 1972 and his many years of service as Club President. Her words were a special reminder of the generations of people who have worked to keep rugby league alive in Barraba.

Jeanette Hillier, on behalf of the Mallise family, made presentations of trophies honouring the Mallise family's connection with the Club. These included the Greg "BULL" Mallise Mug Players Player awards for both Grade and Reserve Grade, and the Len Mallise Memorial Trophy for First Grade Highest Point Scorer, which was awarded to Joey Latham with 58 points.

These are just some of the awards and memorial trophies that are an important part of the Bulldogs' history, connecting the achievements of today's players with the people and families who have contributed to the Club over many years.

\$15,000 donated to Barraba Palliative Care

Shaun Spence, Jayse Starr, Kade Spence, Jenny Simpson, Ralph Starr and Brittany Starr.

One of the proudest moments of the evening was the presentation of a \$15,000 cheque to Jenny Simpson on behalf of the Barraba Palliative Care Hospital Auxiliary.

The funds were raised through the Club's Ladies Day in July, held in memory of Kerry Spence-Starr and Jacqui Spence. The tremendous fundraising result reflects not only the generosity of those who supported Ladies Day, but also the Bulldogs' commitment to giving back to the community that has supported the Club so strongly.

Barraba Rugby League Football Club sincerely thanks everyone who donated, attended, volunteered or otherwise contributed to making Ladies Day such a success and helping the Club make this significant donation.

Looking Ahead to 2027 – AGM Announced

With a successful comeback season now complete, the Bulldogs are already looking towards 2027 and continuing to build on the foundations established this year.

The Barraba Rugby League Football Club Annual General Meeting will be held on Sunday 18 October 2026 12.00 pm Barraba Bowling Club. All Committee and coaching positions will be declared vacant.

The Club strongly encourages all members of the Barraba community who would like to be part of the Bulldogs in 2027 to attend. You don't need to have played rugby league or have previous committee experience. Whether you can take on a committee position, volunteer your time, bring new ideas to the Club or simply want to help keep rugby league strong in Barraba, we would love to have you involved.

The success of 2026 has shown what can be achieved when players, volunteers, sponsors and the wider Barraba community come together. After five years without senior rugby league, having three Bulldogs teams take the field in 2026 was an achievement everyone involved with the Club can be proud of.

Thank you, Barraba, for getting behind the Bulldogs in 2026. We look forward to building on this year's success and making 2027 even bigger and better.
